

**Missouri State Board of Nursing Approves  
Teach Out Plan for ITT Students to Attend Jefferson College –  
Student Meeting Slated for Sept. 27 in Hillsboro**

With the recent closure of ITT in connection with action by the U.S. Department of Education, Jefferson College has been approved by the Missouri State Board of Nursing to provide a teach out plan for about 20 displaced ITT Nursing students who were on track to graduate this November.

The Missouri State Board of Nursing called a special meeting on September 22 and subsequently approved Jefferson College's teach out plan.

To begin the transition process, a meeting for all November 2016 ITT Nursing grads will be held on Tuesday, September 27, at 2 p.m. on the Jefferson College Hillsboro Campus (1000 Viking Drive). The meeting will begin with an overview of the Nursing program followed by available representatives to review student transcripts, assist with financial aid, and begin the enrollment process.

ITT students are asked to RSVP by calling Jefferson College Nursing Department staff Peggy Bradley or Kathy Kyle at (636) 481-3429/3406 or by emailing [kkyle@jeffco.edu](mailto:kkyle@jeffco.edu) or [mbradley@jeffco.edu](mailto:mbradley@jeffco.edu)

Jefferson College academic and student services staff are also working to establish alternative pathways for other ITT programs that minimize the loss of credit, as displaced students explore higher education options. The College is reaching out to students on a one-on-one basis to develop personalized education plans in attempt to align their coursework with possible options such as credit for prior learning.

Jefferson has a variety of student support systems in place (ranging from an Academic Support Center to peer tutoring and disability support to childcare services on the Hillsboro campus) to help students succeed in over 40 career and technical programs.

Enrollment for Fall 2016 courses is still available in a variety of 8-week classes starting in early October.
